---

### 1. High strength stainless steel basket

Wide slot to increase work efficiency and High strength stainless steel basket

### 2. Ultra-strong suspension

Ultra-strong suspension designed to withstand 700 RPM high speed dewatering and weight 5.8T

### 3. Eco-Friendly Laundry for user-centered convenience

Equipped with high-performance laundry program to increase cleaning power and apply eco-friendly washing function that Reduce water usage. Display of steam pressure, air pressure and power supply for user-centered convenience

### 4. Pneumatic function

Equipped with pneumatic function for the best laundry
